

## Talawanda Destination Imagination

**Destination Imagination is an innovative creative problem-solving program for participants from kindergarten through high school. Teams of 5 to 7 participants are challenged to solve one of six unique Team Challenges and an Instant Challenge using their own ideas and talents. Each of the six challenges offers participants an opportunity to explore STEAM (STEM + ART!) areas such as science, technology, engineering, improvisation, fine art, and outreach. Creating solutions requires creativity, teamwork, and learning new skills. See back side of this paper for info on signing up your student and/or volunteering as a team manager.**

We will be hosting an informational meeting about Destination Imagination on Wednesday, September 18th, from 6pm-7pm in the upstairs meeting room at the Oxford Lane Public Library located at 441 S. Locust Street. All are welcome to attend! We will explain the program and how teams are formed. Sign ups will also be available for students interested in participating.

Our regional tournament will be held on Saturday, February 29th, at Lakota East High School. Teams forming will require a parent or other adult that is willing to volunteer their time to be a team manager. Free Manager/Coach training sessions are available in the fall.

It is time to begin forming and registering teams for this year. Please contact me in the near future if you are interested in helping to coach/manage a Destination Imagination team this year. Without managers, we cannot have teams.

If you have Internet access to sign up your child electronically for Talawanda Destination Imagination, please use the link <https://forms.gle/qbdCCMJT7R8grrZi7> or scan this QR code (you do not need to turn in a paper form if you sign up electronically):

If you need to sign up using a paper form, that's OK! Please have your student turn this form in to the Main Office at their school by September 20th. Teams are already forming!

Destination Imagination participation requires a \$65 fee to pay for program expenses. There are need based scholarships provided by generous donations from community partners.
