

WE NEED YOUR HELP!

TSD FABRIC MASKS PROJECT

Here is a chance to help our schools meet safety standards during the COVID-19 crisis!

If you like to sew and have the time, we'd love for people to help us make masks!

Masks are needed to fit both youth and adults. We will be accepting mask donations at the Talawanda Board of Education throughout the summer!.

THANK YOU FOR YOUR HELP!

This is a positive way to spend some of your down time during this crisis!
