## **Guidance Announcements**

- Applications for nominations to the U.S. Service Academies is now open for seniors seeking admission during the summer of 2019. The deadline is October 31st so see your counselor for details.
- Purdue University is offering a program called Seniors Exploring Engineering on Monday, October 15th, 2018. The program is geared toward young women in their senior year who are trying to determine if engineering at Purdue University is a good fit for them. Students will explore their choice of two engineering disciplines, obtain knowledge regarding the first-year engineering program, admissions, student life, and engineering in the "real world." Campus tours are offered with an opportunity to meet Purdue professors, current engineering students, and some awesome women alumni. You should register early at [www.purdue.edu/WIEP](http://www.purdue.edu/WIEP)
- Any sophomore or junior wanting to take the PSAT on October 10 needs to sign up in Guidance by September 7th. The cost is 20 dollars. Please have your payment when you go to sign up.

## PAID RESEARCH STUDY FOR TEEN VOLUNTEERS

The **Understanding Emotions Study\*** is recruiting teen volunteers (ages 13-18) for a research study about emotions. Participation in the study take approximately 60-70 minutes, and teens are paid \$15 for their time. (Some teens may be asked to participate in a short follow-up study, for which they would be compensated \$10). Teens have the option of participating at the Miami Oxford campus or some mutually agreed-upon meeting place (such as home, public library, etc.).

Teens are eligible for the study if they are fluent in English, between the ages of 13-17 (or 18, if still enrolled in high school and living at home), and have a **parent's written permission** (informed consent) to participate. Siblings are OK to participate too.

Contact for the study:

### Attention all parents of 11<sup>th</sup> grade students

#### Immunization requirements for school attendance in Ohio have changed

All students entering the 12<sup>th</sup> grade in the fall of 2016, are now required by the state of Ohio to show proof of the following immunization **BEFORE** starting school for the year:

#### **Meningococcal (A,C,W,Y) vaccine (to protect from meningitis)**

If your student received a Meningitis (A,C,W,Y) vaccine before the age of 16 years, a second dose is required for school attendance in 12<sup>th</sup> grade.

If your student will be receiving the first dose of Meningitis (A,C,W,Y) and is now 16 years of age or older, only one dose is required for school attendance in 12<sup>th</sup> grade.

**Any 12<sup>th</sup> grade student who has not received the required Meningitis (A,C,W,Y) vaccination will not be permitted to attend school until proof of this immunization has been received by the school. If your child is unable to receive this immunization due to a medical reason, your doctor must state so in writing.**

The Meningitis immunization can be obtained at any time from now until the first day of the 12<sup>th</sup> grade. Clinics and Primary Care Physicians tend to become very busy toward the end of summer, which may cause a delay in your immunization, which could result in exclusion from school.

Also, another resource is the Butler Co. immunization clinic that comes to the Family Resource Center on the third Friday of the month from 11:00-1:00 (walk in).

As soon as the required immunization is obtained, please have your provider complete this form with the vaccine date, or provide a copy of your child's shot record with the Meningitis vaccination date, to the school so your child's record can be updated.

If you have any questions, please contact me at (513) 273-3210.

Thank You,  
Linda Dingledine, RN

---

**Documentation of vaccinations received MUST be returned to your child's school BEFORE the first day of 12<sup>th</sup> grade.**
