|----------------------------------|---|
| Payment | Cost will be added to the students Fees. Pay with EZPay, check or cash. EZPay will be available a few days after registration. Payments must be made before the end of the summer session. |
| Orientation | There will be a virtual online orientation that all students must complete before class can begin. |
| Progress & Attendance | Students will be given weekly goals for work completion. Attendance will be taken daily based on time logged-on and material completed. Classes must be completed in the 3 week time frame. A single day in summer school is the equivalent to one full week in school. Keeping up with the work each day is essential. All work/exams must be completed by 10am on 6/18 . |
| Requirements | Failure to meet any of the requirements listed above will result in failure of the course. No refund of registration fees will be made for failure to complete a course. |
| Technology | Since all THS & TMS students currently have a district device, you will keep those for the summer session. You may, however, work from any device or computer you have, any time of day. |
| Registration | Registration is done online at the address below. Registration must be completed by May 28. |
