## Advocating for the Education Rights of Children

Hello Talawanda Community! We would like to welcome and encourage you to take this opportunity to share your input and to use your voice by participating in the community committee- **Advocating for the Education Rights of Children**. This committee is designed to be inclusive of all families and students in the community, for the purpose of working together on behalf of all kids and to provide a support to any family in need.

Please mark your calendars for upcoming events:

- **The first meeting will be held at 1pm on November 2, 2017 at the Lane Library.** This meeting will serve as an opportunity to meet new members, update everyone about the goals and objectives of the group, and a chance to collaborate with members of the Talawanda team.
- **There will be a special event hosted on November 2, 2017 at the THS PAC at 6:30pm,** outlining the many services available in Butler County and how to connect and access these programs.

The evening event is open to the entire Butler County community. Providers in attendance will have a focus of working with children with disabilities.

Parents can become educational advocates and leaders by being informed, being involved, asking questions, seeking additional resources and taking action by understanding and exercising their rights.

**Kathy McMahon-Klosterman** will serve as the facilitator of the event. The Butler County Board of Developmental Disabilities will be there to answer questions. Please consider attending.

*BIO- Kathy McMahon-Klosterman, Professor Emerita of Educational Psychology, received the Distinguished Service Award by the Ohio Association of County Boards of Developmental Disabilities.*

*McMahon-Klosterman is currently serving as president of the Butler County Board of Developmental Disabilities. For three decades she has prepared students majoring in special education and connected them with programs like Best Buddies.*

*"Kathy worked with MRDD/DDD for decades supporting the mission that 'all people should have opportunities to participate in community life with fellow citizens and develop a sense of belonging to the community,'" wrote Susan Mosley-Howard for the nomination.*
