## TMS MORNING DROP OFF PROCEDURES

Our doors open between 7:40-7:45am.

When you enter the parking lot, you should keep your car moving in the continuous line (see image attached). Cars are not allowed to park, the line needs to be fluid. There is plenty of space outdoors for students to space out while waiting the few minutes for the doors to open. Please have your student exit your vehicle as soon as you are pulled up alongside the building (see the pink section). This allows 5-8 cars at a time to drop off and everything moves quicker.

Be careful to note that busses will be entering the parking lot and will need to have the right of way as they attempt to enter the bus lanes close to the building.

***Thank you for your assistance with this process. It will help everything move smoothly in the mornings!!***
