Attention Talawanda Middle School Families! Save your Plastic Caps and Lids!

Please start saving your plastic caps and lids! The National Junior Honor Society (NJHS) is leading a bottle cap and plastic lid recycling initiative at TMS. The recycled bottle caps and lids will be collected until we have enough to **make a bench for TMS made completely of recycled lid and cap plastic** material we have collected!

Here is how you can help us:

- **Collect plastic bottle caps and plastic lids** (see list of acceptable caps and lids below)
- Feel free to collect large amounts at home and bring to school in grocery bags or ziploc bags - the whole bag can be placed in the collection bin
- **Please rinse** all lids and caps before bringing them to school
- Place lids and caps in a **collection bin** - there is one located in each grade level hallway and one in the cafeteria
- Collection will continue until we have enough to build a bench for TMS (Kramer and Marshall already have benches and Bogan is collecting this year for a bench!)
- Spread the word! Tell your friends, family, and neighbors and ask them to collect too!
- This benefits our community (recycling!), the school (we get a bench!), and you (you help make TMS a better place!)
- Questions? Contact NJHS Advisor Mrs. Murray murraym@talawanda.org

NJHS students will be responsible for collecting, cleaning, and sorting lids and caps here at school. This project is possible through the ABC Promise Partnership program at Green Tree Plastics, LLC. We appreciate your help in this project that promotes recycling and will benefit our school with a new bench!

TMS Garden Club

We are building a new TMS garden to learn about where our food comes from, how to grow it in the most environmentally responsible way possible, and eventually share what we grow with the cafeteria salad bar or the Oxford Food Pantry. We will have our science classes test our soil, the STEAM club is helping build what we need, and we will research what grows best in our seasonal climate. We will have guest speakers in the winter including botanists, members of Miami's Slow Food Initiative, and various others.

Talawanda Diversity Club

Introducing the new Talawanda Middle School Diversity Club! We are interested in spreading appreciation of the differences that every student brings to TMS, and celebrating what makes each one of us unique. We will explore what we can do at school and in our greater community to help our place be safe and inclusive for all students.
