College Credit Plus (CCP) can help students in grades 7-12 earn college and high school credits at the same time by taking college courses from community colleges or universities. The purpose of this program is to promote rigorous academic pursuits and to provide a wide variety of options to college-ready students. Taking a college course from a public college or university College Credit Plus is free. That means no cost for tuition, books or fees. If students choose to attend a private college or university, you may have limited costs.

The THS School Counseling staff will be offering an informational CCP meeting on February 13 at 5:00 pm in the PAC. This meeting will provide an overview of the program, how to apply and the deadlines. Representatives from local universities will be in attendance to provide college specific information.

Girl Scout Troop 42809 is doing their second supply drive for 4 paws for ability. 4 paws is an organization that trains dogs to help children with disabilities. The supplies that we collect will be used for the children to play with when they meet a possible dog for them. It will also be used so for the care of the dogs. There will a bin at the end of every hallway with a list of items. The drive will last from Jan. 29th to Feb. 9th The winning grade will receive a special prize from 4 paws.

Dear TMS Community,

National School Counseling Week, sponsored by the American School Counselor Association (ASCA), will be celebrated from Feb. 5–9, 2018, to focus public attention on the unique contribution of professional school counselors within U.S. school systems and how students are different as a result of what school counselors do. National School Counseling Week highlights the tremendous impact school counselors can have in helping students achieve school success and plan for a career.

More than 100,000 school counselors nationwide will be participating in the week's festivities. Many school counselors will be hosting special events and activities to call attention to the countless benefits of a comprehensive school counseling program.

As part of National School Counseling Week, TMS will be participating in *Start With Hello*. This initiative from Sandy Hook Promise (<https://www.sandyhookpromise.org/>) teaches students the skills they need to reach out to and include those who may be dealing with chronic social isolation, and create a culture of inclusion and connectedness within their classroom, school, or youth organization.

Social isolation is the overwhelming feeling of being left out, lonely, or treated like you are invisible. It is a growing problem in the United States and within our schools. Excessive feelings of isolation can be associated with violent and suicidal behavior. Young people who are isolated can become victims of bullying, violence and/or depression. As a result, many further pull away from society, struggle with learning and social development, and/or choose to hurt themselves or others.

We will have a host of activities throughout the week of Feb. 5-9 as a part of *Start With Hello*, culminating with a speaker. We encourage you to talk to our students about the *Start With Hello* program and ask them to share what they have learned.

Sincerely,  
Your TMS School Counseling Dept.,  
Samantha Koontz and Steven Hricko

To Parents/Guardians of 7th Grade TMS Students:

We have worked throughout the year to organize and fundraise for a small, but significant end of the year field trip. Our trip will be Friday, May 11, 2018, and is bullet-pointed below. Please review and sign permission on the attached page to be returned to your student's Social Studies teacher by Wednesday, February 7th.

- *Pick up by buses from Queen City Transportation at the middle school on the morning of Friday, May 11*
- *Travel to Columbus*
- *Go to the Columbus Zoo*
- *Eat pre-packed lunch (by you) at first location*
- *Leave 1st stop at about 12:30*
- *Travel to COSI, until 4:00*
- *Walk to Dinner at Spaghetti Warehouse 4:15-5:45 (sidewalk connects)*
- *Travel home, making it back to TMS at approx 8 pm Friday night*

As of now, the cost of this trip is \$20 per student. This cost will cover busing to and from TMS, admission to COSI and to the zoo, and for dinner at the Spaghetti Warehouse. Funds raised during the fall Antique and Craft Show, and during the Silent Auction, in September have been set aside for this trip, to bring us to this minimal student cost.

Those students who already have a savings for D.C. with Mr. Brinck may dip into that account to use for this trip if you so desire. If this is the avenue that you would like to take please check accordingly on the sheet below.

We will share behavior expectations, that will need to be reviewed and signed, in the near future. Thank you for your continued support!

Cold and flu season is upon us. According to the CDC we are in the peak of the flu season and still have about 8 weeks to go! Below we have listed a few of our school exclusion guidelines as well as some preventative tips. Please adhere to these guidelines and make note of the suggested habits. Let's work together to keep our school community and our homes as healthy as possible.

1. **Fever**- 100 degrees Fahrenheit or higher, the student will be sent home and should remain home 24 hours fever free without fever reducing medications.
2. **Diarrhea**- occurrence of more than one episode at school and/or with additional symptoms. The student can return to school after 24 hours symptom free.
3. **Vomiting**-occurrence of more than one episode of vomiting and associated with other symptoms. May return to school after 24 hours symptom free. Every attempt will be made to distinguish between regurgitating food and vomiting due to illness.
4. **Runny Nose**- Students who cannot control their secretions and /or have green/yellowish-brown secretions need to remain home until symptoms improve.
5. **Coughing**- Excessive coughing contributing to the inability of the student to participate in class work or is disruptive to other students.
6. If symptoms worsen or persist, see your healthcare provider to be evaluated. The flu can be serious for children.

Helpful tips for Staying Healthy:

1. Frequent hand washing is the **BEST** way to prevent and combat the spread of Germs. Wash hands with soap and water.
2. Avoid touching eyes, nose, and mouth.
3. If your child has any signs and symptoms of illness, please keep them home.
4. Cover coughs and sneezes with a disposable tissue or use elbow or arm if no tissue is available.
5. Do not share drinks, foods, or unwashed utensils.
6. Get plenty of rest, eat healthy foods, and drink lots of water and healthy drinks.
7. Avoid people that are sick and stay home when you are sick.
8. Disinfect surfaces that are prone to germs (ex. Phones, keyboards, door knobs, toothbrushes).

NOTE: It is not too late to get the flu vaccine!

Please inform the school of any contagious illness. If you have any questions or concerns, please do not hesitate to contact us.

## Attention Talawanda Middle School Families! Save your Plastic Caps and Lids!

**Please start saving your plastic caps and lids!** The National Junior Honor Society (NJHS) is leading a bottle cap and plastic lid recycling initiative at TMS. The recycled bottle caps and lids will be collected until we have enough to **make a bench for TMS made completely of recycled lid and cap plastic** material we have collected!

Here is how you can help us:

- **Collect plastic bottle caps and plastic lids** (see list of acceptable caps and lids below)
- Feel free to collect large amounts at home and bring to school in grocery bags or ziploc bags - the whole bag can be placed in the collection bin
- **Please rinse** all lids and caps before bringing them to school
- Place lids and caps in a **collection bin** - there is one located in each grade level hallway and one in the cafeteria
- Collection will continue until we have enough to build a bench for TMS (Kramer and Marshall already have benches and Bogan is collecting this year for a bench!)
- Spread the word! Tell your friends, family, and neighbors and ask them to collect too!
- This benefits our community (recycling!), the school (we get a bench!), and you (you help make TMS a better place!)
- Questions? Contact NJHS Advisor Mrs. Murray [murraym@talawanda.org](mailto:murraym@talawanda.org)

NJHS students will be responsible for collecting, cleaning, and sorting lids and caps here at school. This project is possible through the ABC Promise Partnership program at Green Tree Plastics, LLC. We appreciate your help in this project that promotes recycling and will benefit our school with a new bench!
