TMS will present School House Rocks Live, Jr.

Thursday, March 15, 7 pm in the TMS cafeteria.

Tickets are free and the performance is open to the public.

Welcome to the TMS Fishing Club!

When will we meet? We will be meeting on the following dates after school at TMS in Room 310 until 3:45 p.m. (Parents please pick up your child by 3:45 as I have obligations starting at 4:00 on those days.)

- March 15th
- March 29th
- April 12th

On these dates, we will make fishing lures, talk fishing (discuss local fish species, how to catch them, etc.), have a casting contest, watch fishing videos, etc. depending on the weather. If any parents are willing to provide snacks for any of our meetings, please contact me at whitemans@talawanda.org or call me at (513)273-3356.

When will we go fishing? We will go fishing the following dates:

- April 26th
- May 10th

Where will we be fishing? We will be fishing at a local farm pond located near TMS on April 26th. The May 10th date is yet to be determined. We may go back to the pond we fished on April 26th or we may fish at either Hueston Woods or a farm pond of one of the club members. If you have a pond that you are willing to allow us to come and fish, please let me know. Due to District Policy and Insurance issues, I am not allowed to have parents transport groups of students from school to off site fishing locations. If we, as a group decide to go somewhere other than the pond across from the school, parents will have to arrange to take their child to that location and pick them up from there once we are done.

Other Important Information:

- Parents, we will need parents to help supervise our meetings and fishing events.
- On days that we go fishing after school, students will need to have their parents bring them and their gear to school that day. Students are not allowed to bring fishing stuff on buses.
- We have a **Google Classroom Page**. Members will be encouraged to join the site to receive information, updates and "talk fishing!" The **class code** to join is **fu13bhu**

Please cut and return the portion below to Mr. Whiteman as soon as possible.

Parents, I am going to need parent volunteers to help supervise students. I am opening this up to as many students as I can possible accommodate, but I need your help to do so. Without parent help, this program will not be possible. So...this is my plea for parent help! If you are willing to assist in any of our fishing meetings or events, please fill out the information below and have your child return it to me as soon as possible. Thanks! Scott Whiteman

To Parents/Guardians of 7th Grade TMS Students:

We have worked throughout the year to organize and fundraise for a small, but significant end of the year field trip. Our trip will be Friday, May 11, 2018, and is bullet-pointed below. Please review and sign permission on the attached page to be returned to your student's Social Studies teacher by Wednesday, February 7th.

- *Pick up by buses from Queen City Transportation at the middle school on the morning of Friday, May 11*
- *Travel to Columbus*
- *Go to the Columbus Zoo*
- *Eat pre-packed lunch (by you) at first location*
- *Leave 1st stop at about 12:30*
- *Travel to COSI, until 4:00*
- *Walk to Dinner at Spaghetti Warehouse 4:15-5:45 (sidewalk connects)*
- *Travel home, making it back to TMS at approx 8 pm Friday night*

As of now, the cost of this trip is \$20 per student. This cost will cover busing to and from TMS, admission to COSI and to the zoo, and for dinner at the Spaghetti Warehouse. Funds raised during the fall Antique and Craft Show, and during the Silent Auction, in September have been set aside for this trip, to bring us to this minimal student cost.

Those students who already have a savings for D.C. with Mr. Brinck may dip into that account to use for this trip if you so desire. If this is the avenue that you would like to take please check accordingly on the sheet below.

We will share behavior expectations, that will need to be reviewed and signed, in the near future. Thank you for your continued support!

7th Grade May 11th Field Trip to Columbus

My student _____ (print name) has my permission to go on the 7th grade field trip to Columbus, Ohio, on May 11th, 2018.

I understand that I will need to make arrangements to pick up my child at TMS at 8 p.m. on that date.

I understand the cost of the field trip is currently \$20. I do not need to send money in at this time but will do so when notified of the final cost. When we have the final cost, we will share with you and expect payment by May 1st, 2018.

I understand that this trip is part of the District's educational program and provides a learning experience of educational value to my child.

I further understand that the staff member(s) who will accompany the students on this field trip, will exercise the necessary and appropriate duty of care for them pursuant to Board Policy 3213, including, but not limited to: administering medication, if required, or seeking emergency medical attention, if need be.

Attention Talawanda Middle School Families! Save your Plastic Caps and Lids!

Please start saving your plastic caps and lids! The National Junior Honor Society (NJHS) is leading a bottle cap and plastic lid recycling initiative at TMS. The recycled bottle caps and lids will be collected until we have enough to **make a bench for TMS made completely of recycled lid and cap plastic** material we have collected!

Here is how you can help us:

- **Collect plastic bottle caps and plastic lids** (see list of acceptable caps and lids below)
- Feel free to collect large amounts at home and bring to school in grocery bags or ziploc bags - the whole bag can be placed in the collection bin
- **Please rinse** all lids and caps before bringing them to school
- Place lids and caps in a **collection bin** - there is one located in each grade level hallway and one in the cafeteria
- Collection will continue until we have enough to build a bench for TMS (Kramer and Marshall already have benches and Bogan is collecting this year for a bench!)
- Spread the word! Tell your friends, family, and neighbors and ask them to collect too!
- This benefits our community (recycling!), the school (we get a bench!), and you (you help make TMS a better place!)
- Questions? Contact NJHS Advisor Mrs. Murray murraym@talawanda.org

NJHS students will be responsible for collecting, cleaning, and sorting lids and caps here at school. This project is possible through the ABC Promise Partnership program at Green Tree Plastics, LLC. We appreciate your help in this project that promotes recycling and will benefit our school with a new bench!

We are building a new TMS garden to learn about where our food comes from, how to grow it in the most environmentally responsible way possible, and eventually share what we grow with the cafeteria salad bar or the Oxford Food Pantry. We will have our science classes test our soil, the STEAM club is helping build what we need, and we will research what grows best in our seasonal climate. We will have guest speakers in the winter including botanists, members of Miami's Slow Food Initiative, and various others.
