TMS Morning Drop Off Procedures

Talawanda Middle School will open the doors for students at 7:40am. Students can enter the building, take their coats to lockers if needed, and report to the cafeteria for breakfast or first period.

When you enter the parking lot, the line of cars should be continuously moving (see image below). If you arrive earlier than 7:30am and need to wait for your student to exit the car, please park in a spot between the basketball hoops. There is plenty of space outside for students to safely keep distant from others while waiting just a few minutes for the doors to open. Please have your student exit the vehicle as soon as you pull alongside/parallel the building (the pink section of the image below). This allows 5-8 cars to drop off at the same time and the line moves significantly faster.

Be careful to note that the busses will also be entering the parking lot and will need to have the right of way as they attempt to enter the bus drop off lanes in the front of the building.

Thank you for your assistance with this. If everyone follows these procedures morning drop off will move much faster.
